The Ceilidh Dance Society is a non-profit organization dedicated to promoting the study of dance, with a focus on the traditional Celtic arts of Highland and Irish dancing. Our young dancers train, compete and perform around the world and throughout the community at nursing homes, sporting events, multicultural festivals and charity events, such as the Festival of Trees, Robbie Burns Celebrations, St. Patrick's Day events, Canada Day celebrations, and more.

The Ceilidh Dance Society is an important part in making this possible as all of the funds we raise help to subsidize the many costs of training, performing and competing. With support, we are able to provide our dancers with once-in-a-lifetime opportunities such trips to Scotland, Ireland, Disneyland, and Disney World. Our dancers recently went on a trip to Scotland & Ireland, where they participated in various workshops and competitions, watched professional performances, and even met dancers from RiverDance! Currently, they are fundraising for their trip to Disneyland in May 2017.

We are asking your organization to kindly donate a merchandise item or gift certificate for the silent auction at our annual Robbie Burns Celebration, which will be held on January 28th, 2017 at the Edmonton Scottish Society. This event is our main fundraiser of the year, and the funds collected from this wonderful evening go to benefit our dancers and support opportunities such as these trips. As a thank you for your support, we will display your company's logo and/or family name at our event, which regularly sells out to over 200 people.

If you have any questions, would like to supply a donation, or are interested in attending the event, please contact us at 780-490-4544.

Thank you for your consideration,

Ceilidh Dance Society
